

TINY HOUSE 3-DAY INTERACTIVE HANDS-ON BUILD

Participants will experience numerous stages of building a Tiny House, including—but not limited to—framing, electrical, plumbing, interior, and exterior finish. Instructors will work alongside California Tiny House employees and hear from industry experts in this 3-day interactive hand-on build experience.

REGISTRATION CLOSES: April 4, 2025

PAYMENT RECEIVED BY: May 16, 2025

A \$500 no show charge will be billed to your district, if cancellation is not received on or before May 30, 2025.

FORMER PARTICIPANT

"...got introduced to the Tiny House program, actually brought my Admin out to California Tiny House, they loved the program, and I decided as a first-year teacher we were going to dive right into it."

Caitlin C. - Mendota High School
